

Sustainment

Complexity/Scope

172,850 NSNs Managed

644 Logistics Information Systems

\$700M Inventory Management Cost

More than 600M Transactions Per Year

LPT - 20.8 Days

Logistics Truths

- ***Winning is Everything - There is no 2nd place in combat.***
- ***War is not “business”***
- ***People are the key enabler***
- ***Planning is good but war never follows “the plan”***
- ***War is a come as you are affair - BE READY!***

On-Line Vehicle I

***The more things change, the more they
stay the same!***
we act in the same way

DoD Logistics Vision

By 2006, the joint logistics process will be a highly efficient, integrated system that ensures required support to the warfighter

Not Best Practices

Logistics is Warfighting

OVERARCHING STRATEGIES

Customer-focused service strategies
Re-engineer processes, systems, and metrics to focus on satisfying the ultimate customer

Strategic Sourcing
Integrate mutual strengths of Public & Private Organizations for Best Value

Integrated Supply Chains
Create “virtual enterprise” of seamless, open information & product flow from provider to end user

We do I.T. for Loggies

Logistics Evolution

On-Line Vehicle Interactive Management System

PAST

- **World Wide Express Transportation**
- **AFMC DREP/CREP**
- **Readiness Based Levels**

FUTURE

- **Process Reengineering**
- **Partnerships (Lightning BOLT)**
- **Info Dominance - GCSS**

PRESENT

- **Supply Regionalization**
- **Competitive Sourcing and Privatization**
- **Functional Reengineering**

**AF Logistics Transformation Team is leading
the way**
